8. The Angels With The Golden Bowls

- [A] Picks up from where Rev. 11:19 left off

Chapter 16 The Seven Bowl Judgments {See OHP 53}

- [A] 1st Bowl - V2 - grievous sores upon those who have the mark of the beast. {See OHP 49}
- [B] Notice the continuous build up of these judgments. V11
- [C] 2nd Bowl - V3 - Whereas in the 2nd Trumpet judgment, Rev. 8:8, one third of the sea became blood, with the 2nd Bowl Judgment the remainder of the sea is turned to blood killing all marine life.
- [D] 3rd Bowl - V4-7 - Whereas in the 3rd Trumpet Judgment, Rev. 8:10, one third of the fresh water became blood, with the 3rd Bowl judgment the remainder of the fresh water is turned to blood, effectively cutting off the fresh water supply. Those who have shed the blood of the saints will have only blood to drink.
- [E] 4th Bowl Judgment - V8 - Whereas the 4th Trumpet judgment

destroyed one third of the sun's light, Rev. 8:12, the 4th Bowl Judgment will increase the heat given out by the sun to the point of scorching men with great heat {See OHP 54}

[F] Men will recognize the source of this judgment, but instead of Repenting, they will blaspheme the name of God. {See OHP 55}

[G] The 5th Bowl judgment - Rev. 16: 10-11 - will blot out ALL light.

Mankind will experience such darkness, that it will be painful.

A darkness that can be felt. Remarkably like the plague of darkness that God brought upon Egypt. Exodus 10:21-23

“Men loved darkness rather than light, because their deeds were evil” John 3:19

[H] The 6th & 7th Bowl judgments are part of the campaign of Armageddon. The 6th Bowl judgment - V12-16 - dries up the water of the River Euphrates , making way for the eastern nations to come to the battle.

[I] Evil spirits come forth from the dragon (Satan), the beast (antichrist) and the false prophet, working miracles and drawing the nations of the world to the battle.

[J] The 7th Bowl judgment - Rev. 16:17-21 - initiates the greatest earthquake that this world has ever seen. It causes every island and every mountain to be annihilated. A storm of such intensity that hailstones will fall, each weighing 100 LBS!

[K] This paves the way for the glorious second coming of Jesus Christ, who will set up His earthly kingdom after the Battle of Armageddon. This will be studied in Session 9 (Ch. 19)

[L] Session 8 will deal with the fall of Babylon, a result of this gigantic earthquake.
